Re: Notification of Consummation:  
*WorldCom, Inc. and its Subsidiaries (debtors-in-possession), Transferor, and MCI, Inc., Transferee, Applications for Consent to Transfer and/or Assign Section 214 Authorizations, Section 310 Licenses, and Submarine Cable Landing Licenses, WC Docket No. 02-215*

Dear Ms Dortch:

On June 13, 2003, WorldCom, Inc. and its subsidiaries, debtors-in-possession (the "Debtors") submitted the above-referenced applications (collectively, the "Application") to transfer control of certain licenses and authorizations from Debtors to the newly formed MCI, Inc. ("MCI"). In a Memorandum Opinion and Order released on December 19, 2003 (the "Order"), the Commission granted the Application.<sup>1</sup> The purpose of this letter is to notify the Commission that the transfer of Debtors to MCI was consummated on April 20, 2004. This notification of consummation is applicable to the cable landing licenses, the section 214 authorizations, and the earth station licenses listed below.<sup>2</sup>

**Cable Landing Licenses**

In the *Order*, the Commission approved the assignment of Part 1 cable landing authorizations held by seven licensees.<sup>3</sup> Pursuant to section 1.767(a)(11)(iii) of the

<sup>1</sup> *WorldCom, Inc. and its Subsidiaries (debtors-in-possession), Transferor, and MCI, Inc., Transferee, Applications for Consent to Transfer and/or Assign Section 214 Authorizations, Section 310 Licenses, and Submarine Cable Landing Licenses, Memorandum Opinion and Order, 18 FCC Rcd 26484 (Dec. 19, 2003).*

<sup>2</sup> As noted below, this letter also provides notice, to the extent required, of the *pro forma* transfer of domestic section 214 authorization from Intermedia Communications Inc. to Intermedia Communications LLC. See Exhibit F.

Commission's rules,<sup>4</sup> the attached Exhibit A lists the authorizations, including the file numbers under which the initial authorization and the authorization of the assignment were granted, for which this notification of consummation is applicable. Exhibit A also provides notice that the newly authorized entities are no longer debtors-in-possession ("DIPs"), and makes clear that the licenses previously held by WorldCom, Inc. d/b/a MCI (DIP) have been assigned subsequently to the newly formed MCI, pursuant to the Commission's *Order*.<sup>5</sup>

### **International Section 214 Authorizations**

In the *Order*, the Commission approved the transfer of control of nine entities authorized to provide international telecommunications services pursuant to section 214 of the Communications Act of 1934, as amended (the "Act").<sup>6</sup> Pursuant to section 63.24(e)(4) of the Commission's rules,<sup>7</sup> the attached Exhibit B lists the authorizations, including the file numbers under which the initial authorization and the authorization of the assignment were granted, for which this notification of consummation is applicable. Exhibit B also provides notice that the newly authorized entities no longer are DIPs, and that, as noted above, control of WorldCom, Inc. d/b/a MCI (DIP) has been transferred to the newly formed MCI.

### **Domestic Section 214 Authorizations**

In the *Order*, the Commission approved the transfer of control of entities authorized to provide domestic telecommunications services pursuant to section 214 of the Act.<sup>8</sup> During the bankruptcy process, the Debtors filed a plan of reorganization that involved internal corporate restructuring of the new MCI. Since its emergence from bankruptcy, MCI has begun to implement the internal reorganization called for in the plan. Accordingly, the attached Exhibit C provides an up-to-date list of MCI entities that currently hold domestic 214 authorizations. MCI also attaches hereto, as Exhibit D, a list of entities that held domestic 214 authorization at the time of the Application,<sup>9</sup> but which were subsequently dissolved or merged into other MCI entities pursuant to the plan of reorganization.<sup>10</sup>

<sup>5</sup> See *Order* ¶ 33.

<sup>6</sup> See *Order* App. A; 47 U.S.C. § 214.

<sup>7</sup> 47 C.F.R. § 63.24(e)(4).

<sup>8</sup> *Order* App. A.

<sup>9</sup> See Application, Exhibit E.

<sup>10</sup> To the extent required, MCI will provide notice of these *pro forma* transfers of control within 30 days of the merger or dissolution.

### **Earth Station Licenses**

In the *Order*, the Commission approved the assignment of Part 25 earth station authorizations held by four licensees.<sup>11</sup> Pursuant to section 25.119(f) of the Commission's rules,<sup>12</sup> the attached Exhibit E lists the authorizations, including calls signs and application file numbers, for which this notification of consummation is applicable. Exhibit E also provides notice that the newly authorized entities are no longer DIPs.

### **Remaining Notifications**

Notification with respect to the remaining wireless authorizations and licenses that are the subject of this proceeding is being effected electronically or by separate paper filing.<sup>13</sup>

An original and five copies of this notice are being provided to you for inclusion in the record of the above-referenced proceeding. Should you require any additional information regarding any of the above information, please do not hesitate to contact the undersigned.

Sincerely,

*Dennis Guard / ARC*

<sup>11</sup> *Order App. A.*

<sup>12</sup> 47 C.F.R. § 25.199(f).

<sup>13</sup> The *Order* also identifies various CARS and other wireless licenses, including receive-only earth station authorizations, held by WorldCom Broadband Solutions, Inc. (DIP), that were originally to be transferred to the new MCI upon emergence. On August 15, 2003, Debtors and Nextel Spectrum Acquisition Corp. ("Nextel") filed applications seeking FCC approval, *inter alia*, of the assignment of these licenses from Debtors to Nextel. See Public Notice, 18 FCC Rcd 19313 (2003). These applications were granted on April 2, 2004, and notices of consummation have been provided by Nextel. See *Applications to Assign Wireless Licenses from WorldCom, Inc (Debtor-in-Possession) to Nextel Spectrum Acquisition Corp*, Memorandum Opinion and Order, WT Docket No. 03-203, 19 FCC Rcd 6232 (Wireless Telecommunications Bureau & Media Bureau, April 2, 2004). Accordingly, notification of consummation with respect to these licenses is not being provided.
